#### S Cumbria FP report for CALLAF meeting April 2017

BR & SW have surveyed 2 FP diversion applications since the last meeting. Each was supported. At Stainton, a bridge replaced after storm damage allowed repositioning of the FP to avoid the farmyard & 2 stiles. This is a good example of effective co-operation between a landowner and the County Council. For Kirkby quarry, the FP diversion application was sent out with a response requested in very short notice. The diversion is needed as the land will be removed by quarrying. Some concerns were expressed about details of the proposed diversion. It is understood these are being dealt with. Orders have been made for FP diversions at Casterton, and Grayrigg (reported last meeting).
